---

### 6. Treasurer Report

Franco Civitarese (Treasurer)

1. Financial Report
    - \$2,203.00 in Connect First Account
    - \$13,000.00 in the other account, but believes that may be an error. We will ask for another statement from Lee to confirm actual funds
- Signing authority for the bank was to move to Ketan but that has been deferred now that he is on the board. Right now the only two people with signing authority are Franco and Andrew.

Franco suggests we leave signing authority with Andrew and Franco. Andrew agrees.

---

### 7. Principal Educator Report

Shawna Drummond (Principal Educator)

1. Mask and Rapid Antigen Test Kit Distribution
2. Thank you to Ketan for stepping up and leading us through the first half of the year
3. In January the focus was responsibility. How to be responsible at home, in classroom, in communities.
4. There was a student teacher in grade 4 in January, Mr. Maxell from Ambrose will be back for another week in February. First ever virtual student teacher with a virtual professor assessing. A new student teacher will be joining us in grade 3 on March 14<sup>th</sup>

5. A dad volunteered to make a video, explaining what Chinese New Year is. He showcased his children and they talked about how they celebrate. They did a dance for everyone to watch. Next year they hope we can bring in a dragon dance! It will depend on cost.
6. Black History Month is the focus for February. Highlighting notable people (mostly Canadians) who have made contributions culturally or historically. Kari is going to create a bulletin board, make some announcements and will also create a video.
7. "Lift each other up" is the focus for Pink Shirt day
8. Gymnastics and Mission Impossible-The Jungle Cruise is the theme for this year.
9. PD days coming up next week. Megan McDonald's sister will do a virtual yoga class for everyone. Focus on literacy and how to strengthen students literacy skills. Various other professional growth plans in the afternoon. On the Friday Corey Czuy will come and speak about how to weave indigenous stories into curriculum. Elder Casey Eagle Speaker will also be there. The Board has a staff appreciation planned for the teachers as well.
10. Intervention grant work is underway. The government announced it would provide some extra funding to support the disruption due to COVID 19. 10 students in grade 3 and 10 students in grade 2 approved for grant. Christine Thompson has been hired PT to help with this work. It will be a combination of the classroom teacher doing some of the work while Christine teaches the class, and sometimes Christine will do the work while regular teacher teaches the class. Applied for 10 more students in Grade 1.
11. Kindergarten registration underway. About half of the new students are siblings.
12. The bookfair was the result of Ms. Berner wanting to get the kids an in person book fair. It was a ton of fun and a lot of success! A portion of what was spent is donated back by Scholastic. Ms. Kari Kimari mentioned that as a girl growing up she never saw one book that had someone that looked like her in a book, until she was old enough to hear some of the terrible things that happened to black people. Ms. Berner has done an amazing job displaying books and having a theme.

---

#### 8. Teacher Representative Report

Sam Lien (Teacher Representative)

1. Two full classes in grade 3 today!
2. In January the focus was on the great outdoors. Bulletin board was covered with outdoor pics over the holiday contributed by families of outdoor adventures. We now have class photos up on that board.
3. Chinese New Year- was great to see some initiatives spearheaded by parents. Two teachers spearheaded getting the classrooms involved including coloring pictures, kindergarten students learning about zodiac signs (most were the Monkey zodiac, some are year of Tiger). Some students got to try writing in Chinese.
4. Moving along to Black History month. Youth counsellor Kari Kimari is helping with this.
5. Pink shirt day is coming up at the end of February, focusing on kindness and inclusion and standing up for what is right.
6. Kindergarten intake meetings are happening this week. All virtual. These will go on until March. This is the first year the lottery has been implemented.

---

#### 9. Fundraising Coordinator Report

Laurae Spindler (Fundraising Coordinator)

1. Magic show
  - Electronic Motion Carried 2022-02-01. Motion that was put forward on 2022-02-01 to offer the virtual Christopher Cool Magic Show on March 15<sup>th</sup> with early bird tickets welling for for \$15.00/household for the first week of sales and moving up to \$20.00 per household for tickets after that. All the details would be the same, evening show (6-7pm), selling tickets with some select VIP tickets for early admission. Here is a link to full details: <https://christophercool.com/school-fundraising>
2. Texas Doughnuts-Fun Snack
 

Suggestion is to bring in Texas doughnuts for a fun snack day for the students. Council agreed we should give parents 4 weeks notice so there is lots of time to communicate how to purchase, cost etc. Doughnuts come from Glamorgan bakery. We still need to confirm how long Glamorgan needs in advance and total amount per doughnut. Ms. Lien is a

bit concerned about an entire doughnut being eaten in the class. Her preference is that it's packaged and brought home. If take home, deliver end of day on a Friday.

**Action:** Mirabel will check on cost with Glamorgan, how much lead time they need and what dietary restrictions they can supply. We need to confirm how they will be packaged and distribution. If possible, packaged, distributed near the end of the day so they can take home.

3. Math-athon Fundraiser: Shawna asked if Council is willing to do another math-athon this year. Sam indicated it's usually started just after spring break. Usually completed on a Wednesday or Thursday. Targeting the test April 20<sup>th</sup> or 21<sup>st</sup> and allow donations to come in last week of April. Sam has asked that we make sure the teachers are kept involved and emails are provided to teachers. Kick off Thursday April 7 until April 21<sup>st</sup>.

Motion put forth to run math-athon April 7 with test on April 21<sup>st</sup>.

2<sup>nd</sup>. Mahira

**Motion Carried**

---

#### 10. Parental Partnership Report

Haniya Nadeem (Parental Partnership Coordinator)

1. Parent Partnership Hours  
No update on hours, but will work with teachers once we see the restrictions lifted  
Let Haniya know when we need volunteers for fun lunch if we move forward so we have lots of time to set that up  
Lesson learned from Grinch Tree delivery, make sure we have the name of the vendor and contact info for next time so we can communicate with them

---

#### 11. Community Services Coordinator Report

Maira Muradova (Community Services Coordinator)

1. Movie night-deferred to next meeting when we know more about the lifted restrictions
2. Skating: Suggestion is to have this happen at the Olympic plaza. Some concerns about parking protests etc. We could look at renting out a rink indoor. Deferred until next meeting when we know more about restrictions.
3. Other ideas
4. End of year BBQ: We should maybe consider doing this for "welcome back" BBQ so it doesn't interfere with 25<sup>th</sup> anniversary. Will discuss more once restriction requirements are a bit more clear
5. Virtual take your school to work: Shawna will bring this up to teachers to see if they're interested in this. Might be a good idea to do just 2 grades.
6. Winsport Update: They are unable to assist with discounts etc. due to their policy on mass groups
7. Meet and Greet with Principle: Doughnuts with Drummond

---

#### 12. Health and Wellness Report

Mirabel Berrade (Health and Wellness / Fun Lunch Coordinator)

1. Hot Lunch-what went well? What should we change  
It went very well. Quickly delivered. Came labelled and sorted by class. Didn't hear about any missing pizza's, they even gave us some extras. Vendor was great to deal with. The labelling is dependent on how many CocoBrooks helpers there are.

**Action items:** Mirabel to find 4 more vendors that would be quick and easy, like CocoBrooks
